DEFENDANTS' RESPONSE TO REQUESTS FOR ORAL ARGUMENT

On August 24, 2012, plaintiffs Warner Chilcott Company, LLC and Hoffmann-La Roche Inc. filed a *Request for Oral Argument* (D.I. 373) and a *Request for Oral Argument* (D.I. 374) on

the pending summary judgment motions concerning obviousness and infringement, respectively. Apotex Inc. and Apotex Corp., Mylan Pharmaceuticals Inc., Sun Pharma Global FZE, and Teva Pharmaceuticals USA, Inc. (collectively "Defendants") have reviewed Plaintiffs' requests. Defendants likewise request oral argument on their motion for summary judgment of invalidity for obviousness. If and to the extent the Court believes oral argument would be helpful, Defendants would also be prepared to appear and argue the other pending dispositive motions. Defendants further note that in addition to the two aforementioned motions, the dispositive motion *Defendants' Motion For Summary Judgment of Invalidity Under 35 U.S.C. § 112 For Inadequate Written Description And Failure To Enable The Full Scope Of The Claims* (D.I. 303), submitted with a supporting brief and appendix, opposition brief and declaration, and reply brief and appendix (D.I. 304, 305, 316, 317, 325, and 326), is also still pending. Briefing on that motion concluded June 5, 2012.

Respectfully submitted,
